

Biography: Lili Martinez

Stormwater Team
Water Quality Division
Texas Commission on Environmental Quality

Current Position

Lili Martinez is an Environmental Permit Specialist for the Stormwater Team in the Wastewater Permitting Section. The Stormwater team drafts Texas Pollutant Discharge Elimination System permits and authorizations, which regulate industrial, construction, and municipal separate storm system discharges to Texas waters.

Prior Experience and Education

Lili received a Bachelor of Science degree in Bioenvironmental Sciences from Texas A&M University. Lili has experience working in multiple environmental health departments including one at Texas A&M Engineering Extension Service.
